<p>Bodegas Catena Zapata, Argentina's finest wines. The recent announcement of Nicolas Catena as Decanter's Man of the Year is the latest in a long line of richly deserved accolades. It places him alongside the Mondavi. Nicolas and his team have unlocked many of the secrets of high-altitude wine making, how the thin, intense sunlight produces ultra-ripe Malbec grape skins that give the wine intense colour and fruit flavour but with soft, supple tannins.</p>
