POOL & MORE

One of the best things about an exclusive house party is the freedom to enjoy your party, your way. Unwind with a dip in the heated outdoor pool or sink beneath the bubbles of the hot tub. If you're looking for something a little more energetic, enjoy a knock-about on the tennis court or pop on your walking boots and explore the countryside. Whatever you choose, you're sure to work up a thirst so make sure you visit the honesty bar in the pool house, or take advantage of the lounge drinks service. For an extra charge, you can even add on exclusive use of the spa and four therapists from 3pm to 6pm to create the perfect relaxing environment.

DINNER & DRINKS

The party really gets underway when you gather together to enjoy an evening Prosecco reception before dinner. Catch up with friends, family and colleagues over a glass or two of fizz before sitting down to enjoy a specially prepared three-course meal accompanied by paired wines. You'll have received a copy of the menu in advance of your party so you won't even have to worry about what to choose on the night. When the wining and dining is over, head to the lounge for a nightcap from the inclusive bar. When you're ready to call it a night, you'll find a luxurious bedroom awaits – but it's completely up to you what time you decide to retire.
