## The Face. Elemis Touch Facials.

---

We have chosen Elemis as in our opinion they have the best products with the best techniques... treatments don't get much better.

These globally renowned hands-on facial treatments use Touch as a powerful diagnostic tool, softening and prepping the skin.

The hands of a highly trained Elemis therapist are profoundly effective anti-ageing tools. Using a combination of massage techniques from around the world, this is where intuition meets expertise with clinically proven results.

---
